Art Unit: 1644

DETAILED ACTION

This application claims the benefit of the filing date of provisional U.S. Application 60455,833.

Claims 2, 12, 13 and 17 have been canceled.

Claims 1, 3-11 and 14-16 are currently pending.

Election/Restrictions

1. Applicant's election of Group I, claims 1-4 and 12-17, in the reply filed on February 8, 2007 is again acknowledged. Because applicant did not distinctly and specifically point out the supposed errors in the restriction requirement, the election has been treated as an election without traverse (MPEP § 818.03(a)).

Claims 5-11 stand withdrawn from further consideration pursuant to 37 CFR 1.142(b) as being drawn to a nonelected invention, there being no allowable generic or linking claim. Election was made **without** traverse in the reply filed on February 8, 2007.

Applicant should note that process claims 5-11 are not entitled to rejoinder with the compound claims because they are not commensurate in scope to the allowed subject matter of the compound claims.

Claims 1, 3, 4, and 14-16 are the subject of examination in the present Office Action.

2. In view of Applicant's amendment filed November 7, 2007, no outstanding ground of rejection has been maintained.

The following new ground of rejection has been necessitated by applicant's amendment.

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

3. Claims 14- 16 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claims 14-16 are ambiguous and unclear in that they are dependent upon claim 12, which was canceled in the amendment filed June 4, 2008.

Art Unit: 1644

Conclusion

4. Claims 1, 3 and 4 are allowed.

5. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
